The Deep Deep Scary Woods

7 1 4

Chapter 1 by Boss

It was then that I heard something, it sounded as if someone was stocking me. I said, "Who's out there!" There was no reply back. So then I pick up two big rocks and a hollow stick for protection and say, "You are messing with the wrong person!" But then an owl swooped down and almost nailed me straight in the face but thank goodness I ducked. "You better show your self," I say. I started walking through the woods. I came around a huge tree and there he was dressed in green clothes and snatched and didn't let go. I started screaming but I knew it was helpless.

Chapter 2 by Boss

I woke up tied to a wiggly old chair. I looked up and saw the man I did before. He said, "I have been expecting you!" I reply back in a curious tone, "What do you mean you have been expecting me!" "You are the one who is going to help me," he says. "How am I going to help you," I reply. He tells me that his daughter has been taken by a man and he wants her back.
